

Roles and Accountabilities:

The Wensum Trust is accountable for all policies across its Academies. All policies whether relating to an individual academy or the whole Trust will be written and implemented in line with our ethos and values as articulated in our prospectus. We believe that education is far broader and deeper than the national curriculum and examination programmes of study. Important as these are, we want our students to strive to gain experiences that will develop their personality and make them ready for a 21st Century technological and multicultural society.

A Scheme of Delegation for each academy sets out the responsibilities of the Local Governing Body and Headteacher/Head of School. The Headteacher/Head of School of each academy is responsible for the implementation of all policies of The Wensum Trust.

All employees of The Wensum Trust are subject to the Trust's policies.
