

A level Art Summer Assignment 2026

1. fill a paper bag with leaflets/ photos gathered from exhibitions and gallery visits: visit web sites and view galleries on line and most importantly visit in person. Look at a **broad range of** art ,artefacts, photography, architecture and design. Gather and print images and details of any work you find really exciting and inspiring : we will discuss this art and ideas in your first Year 12 lesson

[See the gallery and website suggestions](#)

2. Create a **series of experimental artworks** and **one adventurous final piece of paper bag art**: play with ideas, be imaginative and take risks. Explore media and processes that are unfamiliar to you: don't play safe!

Please bring all art work and gallery/ website resources to first lesson in Sept for group critique.
