

This report shows the results for Acle Academy in 2021 for the headline measures and for key groups. It shows the Academy's Progress 8 and Attainment 8, as well as the percentage of students achieving 9-5 in English and Maths, 9-4 in English and Maths and the percentage of students achieving the English Baccalaureate. A grade 4 is referred to as a standard pass, with a grade 5 referred to as a strong pass.

Progress 8: Progress 8 tells us how well pupils at this school have progressed between the end of primary school (key stage 2) and the end of secondary school (key stage 4), compared to pupils in other schools who got similar results at the end of primary school. This is based on results in up to 8 qualifications, which include English, maths, 3 qualifications including sciences, computer science, history, geography and languages, and 3 other additional [approved qualifications](#).

Attainment 8 - Schools get a score based on how well pupils have performed in up to 8 qualifications, which include English, maths, 3 qualifications including sciences, computer science, history, geography and languages, and 3 other additional [approved qualifications](#).

English Baccalaureate: this is not a test or qualification; it is a measure used to provide information about a particular range of qualifications. A pupil is considered to have 'achieved' the English Baccalaureate if they got a grade 5 or better in the following subjects: English, maths, sciences, a language and either history or geography.
