Dear Students

Congratulations on your GCSE results, on behalf of the school, we are so very proud of your achievements throughout your time with us. We are very proud of the determination and resilience shown by your year group in the way you applied yourself to your GCSE examinations.

I would like to say well done for all the hours of hard work that you put into revising for your exams and completing your controlled assessments. Throughout this process you have shown superb skills in tenacity, determination and effort. Your hard work has paid off and I am so proud of you.

We hope that the grades you have received reflect the hard work and dedication that you have shown to your studies throughout your time with us and they enable you to move successfully forward with the next stage of your academic career.

For those of you that didn't quite hit the mark in a certain subject, remember your GCSEs are just one step on the ladder, there will be other chances and other opportunities. You have shown that you can work hard and secure a result and many doors will still be open to you.

If you are concerned about your next steps or would like some help or advice in liaising with colleges and Post 16 providers, please email info@acle.norfolk.sch.uk or ring the school office- 01493 750431 and one of the senior team will get back to you as soon as possible.

Good luck with the next stage of your academic careers and we wish you every success in your next steps. You have been a wonderful year group to work with and I wish you all happy, fun and successful futures.

With very best wishes on behalf of all at Acle Academy.

Mrs H Watts
