June 2021

Dear Year 6 Parents, Carers and Students!

We hope you are well; it has been lovely to be out meeting students during our visits to the feeder schools. Thank you to all that have completed the admission form via the google survey, if you have not yet completed this, please do so as a matter of urgency. Also, thank you all that have responded and would like to take part in the extra transition events via the summer school during first week of the holidays, more information to follow shortly.

We are very much looking forward to working with you to start a transition programme in order to be ready to join Acle Academy for September 2021. We appreciate that transition to high school can be a worrying but an exciting time for your children. We hope that the two transition days in June, together with the parents' information evening will settle any nerves and answer any question you might have.

In addition to these two days, we will provide a remote transition programme, via videos and links through our website. There will be a welcome for Parent's video available in the near future, as well as an introduction made by the different form tutors and leaders of houses. We have created a virtual tour of the school, where pupils will be introduced to different key members of staff that they will come across on a day to day basis. In the dedicated transition area of the website you will be able to find links to the videos and all essential paperwork. We have put together a series of introductory videos, and activities for your child to watch and take part in to prepare them for starting at Acle Academy. These will be accessible on our website. Please find enclosed a booklet to help with this, which we ask that pupils bring in and share with their tutor in September!

Please also, find enclosed information about which Form Group and House your child will be part off when joining Acle Academy! We are very much looking forward to seeing you on the 21<sup>st</sup> and 22<sup>nd</sup> June. If there are any questions or concerns in the meantime, please do contact us directly on [transition@acle.norfolk.sch.uk](mailto:transition@acle.norfolk.sch.uk)

Yours sincerely

*C Skarin*
