

20th June 2022

Dear Parents and Carers

East Norfolk Sixth Form College Visit - Wednesday 6th July 2022

The post 16 options process at Acle Academy aims to give its students all the information, support and guidance they need to make the right choices for them. In year 11 students will attend presentations in school from a variety of learning providers. These will start to take place during the autumn term in year 11. As well as career appointments and assemblies all students will in year 11 have lessons in Character and Culture and weekly careers sessions during form time where they will learn about local labour market information, job sectors and opportunities available. They will also spend this time completing personal statements and college applications using 'Help You Choose'.

In addition to this, there are many open evenings or weekend open days at various colleges and sixth forms that your child may also wish to attend, when any opportunity arises these will be shared with you via ClassCharts and the students' via google classroom. Colleges and Sixth forms have already started to invite us for visits in preparation for next year's options.

As a school we have been invited to visit East Norfolk Sixth Form College on Wednesday 6th July. Students will be given a presentation with an introduction to the college, result history, an introduction into the extra-curricular, pastoral support and student experience. As well as an introduction to the different subject areas from the faculty leads. This is a really good opportunity for the students to get a feel for what a post 16 education establishment is like. We will depart at 9.30am and return in time for lunch.

Could you please complete the consent form via the google link below.

Students can choose between 5 different groups/sessions depending on their interest. They cannot mix and match but will need to follow the same groups for the duration of the visit. Can students please indicate via the google form which two groups would be their first and second preference.

I will need consent and choices made via the google form by **Monday 27th June at the latest**.
