There is more revision guidance for each subject in our 'revision zone' on the school website. Equally, all pupils have access to Google Classroom where they will find all of their lessons uploaded and many revision resources. Equally, we strongly encourage pupils to print and practise exam papers as a regular form of revision. We have many of these exam papers printed for them and ready at the front of the school. Parents/pupils are encouraged to ask teachers to print exam papers for them as this is the best form of revision to undertake. English teachers will be able to advise students which texts are being/will be studied. If your child qualifies for pupil premium funding, they will receive the revision guides free of charge from their teachers. If you are unsure whether that funding applies to you, please do not hesitate to contact the subject leads or the school office. If you have any further queries, please do not hesitate to contact me.

Yours sincerely

Mr J Sayce  
Assistant Principal for Progress and Achievement
