

5 June 2020

Dear Parents and Carers

Thank you for your continued support through these difficult times.

We are very mindful that the normal transitions for children coming into Reception, transitioning from Infant to Junior school and indeed from Primary/Junior schools into High schools will be very different this year.

We appreciate that many parents/carers and pupils will be concerned as to what these transitions will look like, but rest assured, we have been working on this for some time. Headteachers are meeting on Monday, 8 June to finalise plans for how best to proceed and much of the work is underway. We also understand that if your child is transitioning into a school that is not in the Wensum Trust, these schools will be in touch with you soon.

Though transitions will look and feel different we are committed to making this work for each and every child as best we can, given the constraints of Covid-19. This applies to all children, whether they are back in school or remaining at home.

Your child's school will support you through every step of your child's transition and you will be receiving more details from them in the very near future.

We appreciate your understanding during this challenging time.

Yours sincerely

Daniel Thrower
CEO, The Wensum Trust
