

22 May 2020

Dear Hirers

Our facilities are currently closed until 31 May 2020. You will have undoubtedly seen the announcement from the government on 10 May regarding the slight easing of lockdown measures and the plan to open schools more widely to an increased number of pupils. Our priority is to ensure our schools are as safe as possible for pupils to return, therefore we plan to keep the majority of our facilities closed to minimise the number of people visiting our schools. This includes the Sport-A-Peel leisure facilities at Alderman Peel High School.

As part of the easing of lockdown measures, the government are encouraging one on one sports, such as tennis, where social distancing can be maintained. We will therefore be able to allow some of our hirers to return, but will be dealing with these on a case by case basis and where a detailed risk assessment has been carried out by the club or the individuals hiring our facility. Please note that the facilities and activities we are able to offer will be very limited. We will not be able to offer changing or toilet facilities on site, or the hire of equipment. If you would like to discuss the viability of using our facilities for your particular activity, then please contact us by email lettings@wensumtrust.org.uk.

The Wensum Trust will credit your account or refund the cost of any bookings that have been paid in advance for this period. We will also credit or refund any membership fees already paid by our Sport-A-Peel customers during the closure. Please contact our lettings team to discuss crediting your account or arranging a refund, by emailing: lettings@wensumtrust.org.uk.

We apologise for any inconvenience this causes and hope that you will understand our decision to follow the government's advice in these exceptional circumstances.

Yours sincerely

Chris Everard
Director of Operations & Finance
