

01 July 2020

Dear Hirers

Following the [Government's announcement](#) on 23 June to continue the easing of lockdown measures, we are pleased to inform you that we are able to take bookings once again. This will only apply to certain sports and facility hire from 4 July 2020. The focus will be on outdoor activities, however it is important that [Government guidance](#), such as social distancing measures, are adhered to. This also means that most activities are limited to groups of six people. We will be dealing with requests on a case by case basis and will be asking for evidence of how you plan to run your activity in a safe manner. During this time, our changing and toilet facilities will also remain closed. If you would like to discuss the viability of using our facilities for your particular activity, then please contact us by email [lettings@wensumtrust.org.uk](mailto:lettings@wensumtrust.org.uk).

We are also recommencing to take bookings for our holiday bungalow, located at Alderman Peel High School in Wells-next-the-Sea. Please visit our [website](#) or contact the lettings team for more details on the summer holiday offers available. We have put additional measures in place to make sure Covid secure guidelines are followed.

Please note that we are currently unable to take bookings for indoor fitness activities, including gyms and swimming pools. This will also apply to the Sport-A-Peel facilities at Alderman Peel High School.

The Wensum Trust will credit your account or refund the cost of any bookings that have been paid in advance for this period. We will also credit or refund any membership fees already paid by our Sport-A-Peel customers during the closure. Please contact our lettings team to discuss crediting your account or arranging a refund, by emailing: [lettings@wensumtrust.org.uk](mailto:lettings@wensumtrust.org.uk).

We apologise for any inconvenience this causes. We will continue to monitor the Government guidance on when further facilities can be opened.

Yours sincerely

Chris Everard  
Director of Operations & Finance
