# HELLO!

Welcome to Garrick Green Infant School where we recognise the importance of helping children to enjoy learning.

We understand that children need to feel happy, settled and confident in their environment before they can apply themselves to learning. Our motto of 'learn to be happy, be happy to learn' is at the heart of our school culture. It applies to all interactions, whether it is through structured lessons, through play, in assemblies or at lunchtimes. Happiness and learning go hand in hand, and at Garrick Green we pride ourselves on nurturing children so that they have the necessary mindset to enjoy learning and to do the very best that they can.

As a school community, we work hard to achieve high standards, a warm atmosphere, a community spirit and a highly positive and enthusiastic approach to learning and achieving potential. We treat every child as an individual, recognising that they will all start school with differing strengths, attitudes and experiences and that they will all learn and progress at different rates and in different ways. We are passionate about giving every child the best opportunity to develop in their own way, both socially and academically.

Please come and see for yourselves what our school has to offer you, your child and your family.

**Mrs Rebecca Dewing**  
Headteacher

“Our Trust is a family of schools with a shared vision. We are all passionate about helping each and every child to be safe, healthy and successful, regardless of their background or early life experiences.

Children deserve an outstanding education that prepares them, both emotionally and academically, for their next steps in the world. We get to know every child as a unique individual and work together with families to support their individual needs. Our Trust also draws on the community relationships and partnerships that we have established to provide a wealth of inspiring experiences in order to nurture confident learners and happy, resilient young people.”
