

Hi, I'm Mrs Spraggons.

I will be your tutor next year. I am looking forward to getting to know each of you and I hope I can help you adapt to your new school. I would like each of you to think about 5 interesting facts about yourself that you can share with the group once we finally get to meet. To help get you thinking here are mine:

- 1) I am currently virtually running as a group from Lands End to John O'Groats
- 2) I am a rescue diver for powerboat racing
- 3) I love sharks
- 4) I play rugby
- 5) I love Maths.

So until we can meet, stay safe!

Mrs Spraggons
