HELLO!

Welcome to Lodge Lane Infant School where our motto is 'Everyone Learning Together' and where we pride ourselves on a strong sense of community.

We believe that our six school values of kindness, teamwork, challenge, respect, perseverance and curiosity are central to fulfilling our inclusive learning ambition. These values are the foundation of our day to day school life. They have shaped our culture and enabled us to create a positive, dynamic learning environment where every child can strive to be the very best they can.

When children start at our school they will begin by learning through play, and by exploring and investigating both indoors and out. As they progress, the learning focus shifts to an imaginative inquiry approach. This stimulates creativity, awe and wonder at what they are discovering and encourages every child to be positive and enthusiastic about what they are learning. We love to also share what they have been doing and enjoying with their families.

Please do come and see for yourselves what we have to offer you and your child. We look forward to welcoming you to our school.

Rebecca Dewing
Headteacher

“Our Trust is a family of schools with a shared vision. We are all passionate about helping each and every child to be safe, healthy and successful, regardless of their background or early life experiences.

Children deserve an outstanding education that prepares them, both emotionally and academically, for their next steps in the world. We get to know every child as a unique individual and work together with families to support their individual needs. Our Trust also draws on the community relationships and partnerships that we have established to provide a wealth of inspiring experiences in order to nurture confident learners and happy, resilient young people.”

Daniel Thrower
