HELLO!

Welcome to Wells-next-the-Sea Primary and Nursery School. We strongly believe that every child has the opportunity to achieve their potential in every aspect of learning and to enjoy school life to the full.

We encourage children to become confident, independent, resilient and co-constructors of their own learning. To achieve this, we have developed an inspirational, creative and enquiry based curriculum which provides memorable and meaningful learning experiences. We always maintain a positive attitude to learning and we congratulate our pupils daily and through weekly celebration assemblies. This love of learning is encouraged right from the start, including within our Nursery provision which children can attend from the first term after their third birthday.

We pride ourselves on being a creative and forward-thinking school which works collaboratively with families and local communities to achieve a positive vibe and to maintain an engaging, stimulating and fun learning environment. Please arrange to visit us so that you can experience our vibrant learning ethos first hand and have the chance to ask any further questions. We look forward to welcoming you to our school.

Rachel Stroulger
Headteacher

“Our Trust is a family of schools with a shared vision. We are all passionate about helping each and every child to be safe, healthy and successful, regardless of their background or early life experiences.

Children deserve an outstanding education that prepares them, both emotionally and academically, for their next steps in the world. We get to know every child as a unique individual and work together with families to support their individual needs. Our Trust also draws on the community relationships and partnerships that we have established to provide a wealth of inspiring experiences in order to nurture confident learners and happy, resilient young people.”

Daniel Thrower
