

Year One

	1	2	3	4	5	6	7	8	9	10	11	12	13
<b>Autumn</b>	Settling in/assessment		Number and Place Value				2D Shape	Addition and Subtraction					Measures - length
<b>Spring</b>	Multiplication (doubles/halves)			Addition and Subtraction		Time	3D Shape	Fractions and Division			Weight	Consolidation and gaps Week of Inspirational Maths	
<b>Summer</b>	Money - Calculations				Capacity	Geometry	Number		Problem Solving and calculations			Consolidation and gaps	

Year Two

	1	2	3	4	5	6	7	8	9	10	11	12	13
<b>Autumn</b>		Place Value				Addition and Subtraction				Multiplication		Division	
<b>Spring</b>	Time	Money	Fractions			Statistics	Shape – 2D, symmetry Shape – 3D		Addition and subtraction		Length, height and weight		
<b>Summer</b>	Problem Solving – including solving 2 step problems		Addition and subtraction – missing numbers			Direction and turn	Time revisit		Statistics revisit	Inspirational Maths
