

Our Phonics Curriculum

Local Memories, Broadening Horizons

I N T E N T	At BMPS	Our Phonics curriculum aims to develop our children into fluent readers, confident speakers and willing writers who are independent, reflective and curious. We follow the Read, Write Inc. phonics programme to build understanding of phonics sounds and to develop early reading skills. The clear sequence of progressive learning support children to know more and remember more. Children are taught to explore the relationship between sounds, words and sentences to develop a secure knowledge of reading. It prepares our children for the next stage in their learning by providing them the knowledge and understanding required for them to have the confidence to read, comprehend and write successfully.									
	In Phonics	Children will have high quality phonics teaching in all classes.	The RWInc programme will be accessible and successful for every reader, no matter their age.	We will maintain fidelity to the RWInc scheme.	Children have reading books closely matched to their phonic knowledge	Children can decode and blend unfamiliar words.	RWInc intervention sessions are offered to all children who require them.	Children can use their phonic knowledge to make phonetically plausible attempts at unfamiliar words	Most children will complete the RWInc programme by the end of Year 2	Children will become confident and fluent readers and writers.	
I M P L E M E N T A T I O N	Classroom	RWInc Phonics groups for 40 minutes 4x a week	RWInc Phonics sounds practice 1x a week	RWInc Phonics intervention for those who require it	Vocabulary rich environment	RWInc Phonics frieze	RWInc Phonics Speed Sounds Chart	Children encouraged to use Fred Talk to sound out when writing	Cross-curricular links
