Purpose of the evening

- To share our Teaching and Learning approach
- To discover how you can help support your child at home and build strong learning habits for the future.
- To help your child understand how to become ‘better’ at the process of learning.

Our Teaching and Learning Ethos

- Our Teaching and Learning ethos is at the heart of Acle Academy and underpins everything we do in the school. We are dedicated to **creating a culture which helps prepare students not just for exam results but for life long learning.**
- To thrive in the 21st century, it is not enough to leave school with a clutch of examination certificates. Students need to have learnt how to be **tenacious** and **resourceful**, **imaginative** and **logical**, **self disciplined** and **self-aware**, **collaborative** and **inquisitive.**
