

Norwich City CSF Football & Education Programme (Including Cambridge National Level 3 Extended Diploma in Sport)

What is the CSF Football & Education Programme?

The Football & Education Programme allows students to combine an excellent academic offer alongside a full time training and fixture programme with Norwich City Community Sports Foundation. Delivered **at Carrow Road**, students study towards an Extended Diploma in Sport, the equivalent to 3 A-levels over the 2 year programme.

Example Units

- Sports Coaching and Activity Leadership
- Improving fitness for sport and physical activity
- Sports injuries and rehab
- Organisation of sports events
- Sports organisation and development
- Working in active leisure facilities

Why study the extended diploma in sport?

This qualification has been designed to account for a full two-year, full-time study programme for learners who are intending to go onto further study or employment in the sport and active leisure sector.

What makes a successful sport student?

A student who enjoys learning the skills needed to work in the sport sector and has a passion to further a career in football or sport either in a playing or non-playing context. The ability to show independent learning and meet deadlines is essential.

To study this course, what qualifications will I need and in which subjects?

Four GCSEs at Grade 4 or above are required including both Maths and English.

What opportunities are there for me to study beyond the classroom?

The practical football element means students access numerous training sessions each week alongside a fixture programme allowing you to represent Norwich City FC against other professional Premier League and Football League clubs.

What kind of career does this qualification prepare me for?

This qualification will enable learners to progress to sport based apprenticeships as well as degree courses chosen from a range of sports based options

What does the football element look like?

A comprehensive football coaching programme allows for individual and team development through a series of technical and tactical sessions across the week, based around the 11-a-side game. Players will also take part in a series of Futsal activities and fixtures to support their technical development, mobility and overall in-game decision making. Players selected for squads will have the opportunity to represent Norwich City Football Club against other professional clubs.
