4 KIDS BUY BOOKS CHANGE LIVES

Need more books for your school library or for your reading areas?

The LoveReading4Kids online bookstore can make that happen – no costs, just bookish benefits

The LoveReading family — [LoveReading](#) and [LoveReading4Kids](#) exists because reading matters, and books change lives.

We all know reading is key to unlocking success across the curriculum. We know that improving reading standards has a huge impact on students' wellbeing, academic achievement, and future success.

In addition, we know the current funding crisis has resulted in devastating cuts to school budgets.

This is why LoveReading4Kids is working to redress that shortfall through our online book shop with social purpose.

“It’s a no brainer” Sue Hannam, Headteacher of Lichfield Cathedral School.

“I think this is an incredible move” Joseph Coelho, Children’s Laureate

How It Works

- When book lovers buy from the LoveReading and LoveReading4Kids bookstores, 25% of the cover price can be donated to a school of their choice.
- If your school is allocated funds, you’ll be invited to become a member, or you can sign up to become a member [here](#).
- Becoming a member means you can spend allocated funds on LoveReading4Kids. From classics, to the best new fiction across all genres, to inspirational non-fiction, we offer a huge range of books at competitive prices, with 10% off RRP as standard.
- Even if the buyer doesn’t nominate or have an affinity with a school, 10% of the spend is donated to schools in need, in deprived areas.

Create a Wishlist

It's great seeing schools accessing our LoveReading4Schools Portal on LoveReading4Kids, moving away from Amazon and using the wishlist function on LoveReading4Kids to get books gifted to their school.

Not only do they get the free book they would love to have in their school library sent directly to the school but if the shopper also selects their school at checkout, 25% of their spend is also donated to the school.

Suzanne Beston, Headteacher of Perry Wood School in Worcester recently gushed about the wishlist functionality on the LoveReading4Schools portal.

Read about how her school was donated over 40 books in 48 hours, and an extra £80 donated funds to her school to purchase more books:

"It's more challenging than ever to afford good quality books where all children can find themselves reflected. We are having to be more and more creative in our fundraising efforts. This initiative is a breath of fresh air to schools and we are excited about seeing the funds flow in and for this to become an additional revenue stream to support our curriculum."

Apply for Funding

Schools can apply to receive this funding pot via our [LoveReading4Kids Funding for Schools Scheme](#).

Jan Warner, Reading Lead at Oak Tree in Mansfield commented:

“At Oak Tree, we are keen to not only teach our pupils to read, but also strive to inspire a lifelong love of reading. Thanks to a very generous grant from LoveReading4Kids, we have been able to enhance the range of books available for our committed teachers to share with the children. The helpful book recommendations on the site have been a valuable starting point for our pupil librarians to assist teachers in selecting books that will take our children on new adventures. We are extremely grateful for the support received both in terms of finance and expertise from such a forward thinking and community minded company.”
