

## *Events at Waterstones Norwich*

-----

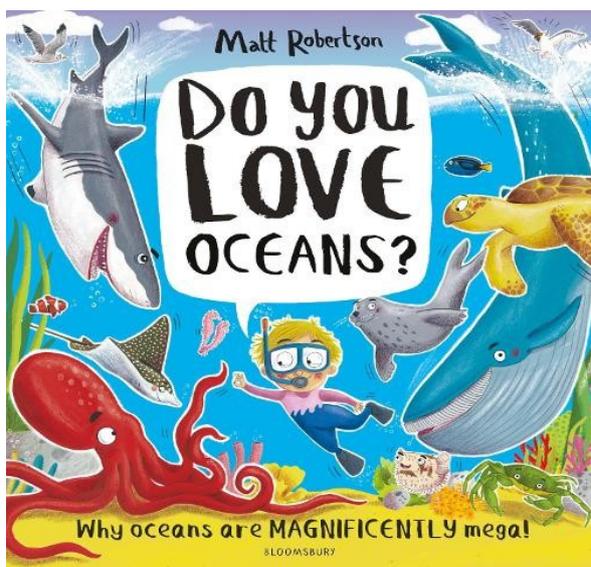

# Do you LOVE Oceans?

## Wednesday 31<sup>st</sup> May, 11am

Join Matt Robertson for a fun filled interactive event all about the fourth book in his award winning 'Do you Love?' series. There will be amazing under the sea facts, quiz and art activities and a chance to get a signed copy of this hilarious new book.

Tickets are free but places are limited, reserve yours today at [waterstones.com/events](http://waterstones.com/events)

Dive to the darkest depths of the deep blue sea, weave in and out of colourful coral reefs and learn about the incredible people who are trying to save our oceans. IDid you know lobsters keep their teeth in their tummies? Or that you can find rivers and lakes beneath the ocean? And did you know that sea stars have no brain or blood? Explore the wonders of our underwater worlds on every page, from coral reefs, sharks and the deep to shipwrecks, weird fish and frozen seas, there's so much to discover!

Get your tickets from [www.waterstones.com/events](http://www.waterstones.com/events)
