Events at Waterstones Norwich

Wonderfully Wired You! Saturday June 3rd at 2pm

Meet Louise Gooding, author of Wonderfully Wired Brains and Neurodiversity Advocate. Learn about the different amazing people featured in her book, the challenges they worked with and what they are putting out in to the world today. Together you will create your own future biography, inspired by how you want to help encourage others be their best selves too!

Tickets are free but places are limited, reserve yours today at waterstones.com/events

Informative and educational, positive and friendly, Wonderfully Wired Brains is a must read! Whether your child is neurodiverse or not, this book will inspire inquisitive young readers and show them that no two brains function in the same way and that everyone's differences should be celebrated. There really is no other book like it.

Get your tickets from <u>www.waterstones.com/events</u> Find us on Facebook, Instagram (@norwichstones), Tiktok and Twitter
