

Ready Steady Phonics Newsletter

Summer 2023

Literacy Counts is an independent education consultancy focused on improving outcomes for children in reading and writing.

As such, we are thrilled to let you know that our new SSP programme, **Ready Steady Phonics**, has been validated and is now part of the DfE's 'List of validated synthetic phonics (SSP) programmes'. **Ready Steady Phonics** also received external validation from the international **Bett Awards 2023**.

Ready Steady Phonics:

- DfE validated
- Expands on Letters and Sounds teaching sequence and progression
- Secures progress across Reception and Key Stage 1
- Daily lesson plans, with accompanying IWB lessons and workbooks
- User-friendly Tracking and Assessment
- Fully decodable fiction, non-fiction and rhyming books, available online and in print
- Actions and rhymes for the teaching of GPCs
- Songs and animation for letter formation
- Secure progress for all through Ready Steady Go: Keep-Up

Ready Steady Phonics is a fully resourced DfE validated programme that is available through an affordable subscription. **Ready Steady Phonics** gives teachers the confidence to deliver high quality lessons with fidelity, access to online resources materials, and provides bespoke training.
