Kinsale Infant School
Sports Premium 2024-25

2024-2025 - £16940

Total Projected Spend - £12,375 (£4565 unspent)

Allocation	Planned support and curriculum focus	Impact of Sports Premium
New PE equipment £200	To replace and repair broken resources.	Staff have equipment needed to deliver lessons - staff feedback.
Replace and repair planters in EYFS outside space. £500	Replace and repair old and broken planters in EYFS outside area to allow children to develop GMS and learn about growing.	Children will develop their GMS and FMC by planting, digging, growing etc. This will also encourage healthy choices as they begin to eat food that they have grown and have improved well-being from engaging in outdoor play and learning.
Play leader role £4700	A member of staff will be allocated to promoting physical activity at lunch time.	Children will have a wider range of opportunity for improving physical skills and improving SEMH at lunch time.
Sports monitors £20	To promote the role of sports within our school.	Sports monitors are available at lunch time to encourage games, participate in sport and promote interactions across the school.
Spotify Premium £120	Access to music to support PE lessons and other areas of the curriculum.	Appropriate and current music available for all staff.
WNDSSP membership 24/25 £2850	Provision of Events/Festivals & competitions as well as significant programme of CPD opportunities for all staff - including bespoke PE support for Subject leader and the School overall.	DATA Tools from SSP to track engagement / Staff audits around confidence and competence / Learning nutrition data / new sport experiences via SSP / participation data from SSP/HHA support
Inter-Sports expenses £1000	To allow children to access inter-school events. This might include travel expenses, staffing and resources.	Increase competitive opportunities for children and increase cultural capital.
Water bottles £368	Children are well hydrated to promote health and good brain function.	Children will drink water throughout the day.
Contribution to apprentice TA salary – GMS/FMC focus. £2000	Apprentice TA will allow greater scope for delivering GMC/FMC interventions and ensuring that physical development within the environment and in PE lessons is well supported.	Improved gross and fine motor skills will positively impact dexterity, engagement, SEMH and readiness to learn.
Parental Physical	Physical development workshops for	Improved gross and fine motor skills

Development Workshops £100	all year groups including pre-school parents/children. Raising awareness of the importance of physical development and fun and easy ways that parents can support this at home.	will positively impact dexterity, engagement, SEMH and readiness to learn.
REAL PE subscription £695	Staff are able to access RealPE to support their teaching of gym and dance.	Dance and gymnastic lessons are well sequenced, engaging and teachers feel more confident to deliver high quality dance and PE lessons.
