Challenge!		Date	Parent Signature
1 – Get your wellington boots on and go for a wander. What habitats, animals, trees do you find on your wander?			
2 – Visit a library – join the library, if you haven't already. Take a photo of your favourite book.			
3 – Become a photographer! Take a photo of a place you find interesting/ enjoy going to.			
4 – Hug a BIG tree! Can you reach your arms around it? How many people arm spans does it take to hug the tree?			
5 – Make a bird feeder. Can you name any birds that come to visit it?			
6 – Make your own kite, can it fly, make sure you choose a windy day to try!			
7 – Go litter picking.			
8 – Get creative! Make a gift for someone.			
9 – Visit the seaside and jump in the waves!			
10 – Get baking! Bake a delicious pudding or cook a scrumptious dinner for your family.			

Who is ready for an adventure? Let's go!

We can all learn so much from the world around us and by trying new things. This is why we are challenging you to do as many of these tasks as you can before the summer holidays! Please take time to enjoy each of the experiences and we would love to see any photos or videos you have taken on Tapestry, items you would like to share with us and most importantly for you to be able to talk about it!

Happy adventuring!

The School Council have thought carefully about which things the children would like to do and have chosen the following tasks!
