February 2020

Dear Parents and Carers,

As part of the London Project for Year 9 students , we have arranged two college visits so students can see what's on offer. We will travel by minibus, leaving school after breaktime and returning in time for the end of the normal school day. Students will be given a tour of the facilities in different departments of the college, have the chance to talk to staff and current students, and check out the student facilities for eating, working, socializing and keeping fit.

We will be visiting;

A Group: Easton College near Norwich on Tuesday 3rd March and College of West Anglia in King's Lynn on Tuesday 12th May

B Group: Easton College near Norwich on Tuesday 10th March and College of West Anglia in King's Lynn on Tuesday 19th May

For both trips, students should wear their own clothes, and bring a packed lunch and a drink. Easton college specializes in outdoor and animal care courses, so students should wear flat shoes and clothes they don't mind getting a bit muddy. If they usually have a free school meal and you would like one to be provided for them, please show this below.

Yours sincerely

Mrs K Norman
SENCO
