

## EASTER NEWSLETTER

Dear Parents and Carers,

Well done for getting through until the end of term with your children at home. Given that you had very little time to prepare for such a massive change in your lives, it cannot have been an easy couple of weeks. We have seen and heard about lots of what you have been doing at home and are so impressed with the range of ideas – creative, play based, physical, online and ‘traditional work’.

We recognise that you have had so many ideas and links to home learning thrown at you and that a lot of you must feel completely overwhelmed by it all, especially if you are trying to support children of different ages. Please do not worry! Take it a day at a time, have a bit of structure, set some boundaries and don’t worry if things go wrong.

Anyway, now it’s the Easter Holiday and you can take a break from home learning. I have asked staff to have a break too so they will not be putting any more home learning on the website until the new term starts (20<sup>th</sup> April).

The links to different websites and activities will remain on the school website for as long as you need them and don’t forget our Facebook page – Lodge Lane Home Learning Support – which has lots of ideas on it. It is also a good way of communicating with other parents if you need or can give advice and also to lift your spirits.

We all hope that you can manage to have an enjoyable, if rather different, Easter break and we look forward to working with you again soon.

Best wishes and stay safe,

Beccy
