

FROM THE SCHOOL PRINCIPALS

There has been quite a lot of speculation in the recent press on when and how schools will prepare for a phased reopening. The leadership team alongside the wider Trust are currently considering the implications of these announcements on a wide range of school matters including in-school provision, home learning (particularly the Y7-Y9 current plan), Face-to-Face time to support Y10 and Y12 learning, calendar dates and the next school year. As we plan for the weeks ahead, we will of course keep you fully informed and we will be sending a letter out later this week to outline our plans for the second half of the summer term.

In these strange times, it is particularly lovely when you are informed that one of your students is taking the opportunity to get involved in a national project and having her work recognised by the local papers. So congratulations to Poppy Nash of Y10 who is taking part in the National Centre for Writing's, Lit from the Inside. She is passionately involved in the program, learning a lot from the experience and I'm delighted to share the link to the EDP in which she features. Well done Poppy were all immensely proud of you.
