

FROM THE SCHOOL PRINCIPALS

A warm welcome back from the half-term break. Usually as a family we venture off up to Scotland over the May holiday but sadly this year this was not possible. Instead we like everyone else remained at home, got on with the little projects we have put off for so many years and took the opportunity to spend more time in the garden. Hopefully, whilst very different I do hope you too felt it was still a break from the usual routine and a chance to recharge the batteries!

Thank you to all staff teaching and non-teaching alike, who kindly volunteered to come in over the half-term break so that we could continue our provision to support the Key Worker/vulnerable students

On Thursday, the Prime Minister confirmed that the 5 tests as laid out by government as a requirement to ease the restrictions are being met and as such, the country can now move forward to the next phase of adjusting lockdown. The key date for secondary schools is the 15th of June and plans are now being finalised to provide some face-to-face contact time for our Y10 and Y12s from that date. As part of this process all parents and carers should have received a letter (dated 22nd May) outlining our plans for a phased re-opening of the school. Thank you for completing the on-line questionnaire, this is now being collated and we hope to be able to confirm arrangements by Wednesday 10 June at the latest.

It is always great to be able to end the bulletin with a good news story and this week it's a well done to Oscar Aldous who raised an impressive £275 for the Covid-19 Emergency Appeal: Support Our NHS by shaving his head!
