

FROM THE SCHOOL PRINCIPALS

Today we welcome back our Y10's and Y12's for the start of their face-to-face sessions. This will, for the majority, be their first time back in school since the school closed on the 20 March 2020, 11 weeks ago.

There is bound to be some excitement and a fair bit of trepidation given the current situation, rest assured everybody is feeling the same. We are absolutely thrilled to be able to welcome Y10 and Y12 back. In terms of the wider picture, Y10 and Y12 form the advance party of what hopefully will be a full reopening of the school in the not too distant future.

Last Friday marked the deadline for the Centre Assessed Grades, these have now been duly dispatched to the various Exam Boards, which subjects use to deliver their qualifications. I would like to take this opportunity to thank all the Teachers and Heads of Departments who have spent many a sleepless night to ensure that the Grades and Subject Rankings submitted reflect the most accurate assessment of each and every student taking their respective subjects.

A special thanks must go to both Mrs Gurney (Exams Officer) and Mrs Webb (Assistant Principal) who oversee the exam season, for the coordination of what has in a reality been quite a mammoth task. It is thanks to their dedication, determination and expertise that the process has been so efficient with all Grades and Rankings submitted to the exam boards adhering to the strict guidelines, as outlined by both the JCQ (Joint Council for Qualifications) and Ofqual (The Office of Qualifications and Examinations Regulations).
