Wednesday 1<sup>st</sup> July 2020

Dear Parents/Carers,

Earlier in the year I asked you all for your views on the school uniform and I had responses from around half of the school. The responses were very informative and have helped us to make some decisions about the uniform for future pupils of the school.

The uniform for your child remains unchanged. All children who will be in years 4, 5 and 6 in September 2020, are able to wear the uniform they would normally wear in school.

Children who are new to the school (Year 3 in September) have had the choice of the colour of shirts and skirts/trousers reduced. If you are buying new uniform and would like to move towards these colours you are more than welcome to – but remember there is no obligation to do so.

The uniform for new pupils in September is;

- White shirts
- Black trousers/skirts/pinafores (school style – no jeans or jean type trousers)
- Royal blue V-necked jumpers or cardigans
- Royal blue checked summer dress
- Black school shoes
- PE kit – black shorts and white T-shirt

All of the above was the preferred option by the majority of parents who responded to the survey.

We were informed earlier in the year that *Tesco* would no longer be supplying the school uniform with a logo, so we had to find another uniform supplier. The new supplier is [Fosters Schoolwear](#) and information on how you can order online is attached to this letter. Again, there is no obligation to buy uniform with a logo - you are more than welcome to buy your child's uniform from any high street store that stocks our colours.

Although *Fosters Schoolwear* is only currently available online please rest assured that, in a normal year, they will attend our school functions and will have uniform available for you to try on.

I do hope that this has put everyone's mind at rest regarding the uniform requirements for next year.

Kindest regards,

*Mrs Robinson*
