

July 2020

Dear Students, Parents and Carers

As many of you know, every year Acle Academy holds an annual event in the summer term, where we get together as a community, form tutors walk with their tutees completing a 10Km long sponsored school walk. Last year's sponsored walk was a great success and the Academy is hugely grateful for the generosity shown by the family and friends of our students.

We would like to continue this annual tradition and encourage students on the 20th July to take part in a remote school walk with their families if possible. On Monday 20th July, there will be normal provision for year 10 students who are scheduled to be in school on that day, and we will organise a social distance school walk for the key workers' children in school. There will be no online/remote learning set for this day, instead we would really like the rest of our students to take part in a remote walk from your home' school walk.

This year rather than fundraise, we would like for the students to share their walk with us, by sharing a selfie of themselves and families completing the walk, giving a 'thank you' shout out to someone who they feel has supported them during lockdown. Please share these as an attachment on the google year group classrooms as we would like to celebrate them. By sharing them on the google classrooms you agree to us sharing them on social media.

We hope that as many of you as possible will be able to join us and share your shout outs!

Kind Regards

Ms Skarin
