

September 2020

Dear Parents/Carers

Open Evening

We hope you are all well under these difficult circumstances. With year 6 looking forward to transition to high school, we wanted to keep you informed of how we will be moving forward this coming year. Our Open Evening/Transition strategy will have to be very different this year. Unfortunately, we are unable to offer any of our normal transition events for the year 6 pupils this term, we will review this later in the academic year.

Our Open Evening in October this year will be largely a virtual experience. We will provide a 'Welcome to Acle' video presentation, presented by Mrs Watts (Principal), who will introduce you to Acle Academy, our Vision and Values. We will provide a virtual tour of the school, where our Senior Prefects will present and take parents on a guided tour around our school, and you will be able to meet our staff from across the different department areas who will introduce you and the students to their subjects and extended curriculum offer. There will also be a student experience video – A Day in the Life of an Acle Academy student - with some interviews with our current year 7 students, and hopefully some familiar faces! This will all be available on our website from the 1st October.

We will offer limited tours on two evenings which will be a **pre booked only tour**.

Open Evening Tours-

Monday 19th October- 4.30 -6.30

Tuesday 20th October - 4.30- 6.30

The Open Evening tours will be conducted in small groups of six . We ask parents to book for only one parent and one child wherever possible. These will need to be pre booked in advance via the school office from the 1st October, more information will be available for parents via the school website. Places will be limited for the pre booked tours, so we will prioritise families who are new to the school.

If you have any specific questions or concerns please do feel free to contact us directly
