School Photographs

The School photographer will be coming in for individual children photographs on the 8th October. Unfortunately, this year we will not be offering the sibling photographs as this would mean mixing bubbles of children. Children will be required to come in in school uniform and a change of clothes and footwear if they have Class PE.

Flu Vaccination

The school vaccination team will be attending school on the 19th October. All children in years Reception – Year 6 are eligible for a Nasal Flu Vaccination. A communication went out on class Do jo this week. You have until the 30th September to register consent/decline for your child/ren.

Attached is a link to the form

Hot Lunches

The hot lunches have worked well this week. Please can you continue to send in the correct money for lunches on a Monday morning for the week, in a clearly labelled, sealed envelope.

SRE

Next week will be sending out information about the new Sex & Relationship Education curriculum. Please look out for this and read the information so you are aware of what the children will be learning about this year.

Outdoor Adventurous Activity Day

On Wednesday 7th October, The Outdoor Education Company will be coming to school to deliver an exciting day of Outdoor Adventurous Activity. Turtles, Dolphins and Kittiwakes will all be undertaking the climbing wall and a series of team challenges whilst Seal Class will do soft archery and team challenges. The aim of the day is to build self-confidence, promote team work, give all children an opportunity to try something new and most importantly be fun! Your child needs to come to school in their PE kit, which they would do anyway on a Wednesday. We are incredibly lucky to be welcoming GB Paraclimber John Chircher to the school, who is part of The Outdoor Education Company's delivery team. John is a huge inspiration and I am sure he will inspire all our pupils.

To ensure the activity complies with current regulations surrounding Covid 19 all the equipment, including the climbing wall will be cleaned between each class, each child will wear a harness that hasn't been worn by any other child and all staff will wear PPE if required to work closely with pupils. The activities will take place outside, pupils will remain in their bubbles at all times and at no time will bubbles cross or mix.

Year 6 open Days

The year 6 children will be bringing home a leaflet from APhS about the open days that they will be holding this year. The leaflet will detail how you are able to book a slot in order to have a look around the school and there will be a virtual tour running too.

We are part of...

FOR CHILDREN, FAMILIES AND COMMUNITIES

FOBS - Christmas Card Project

In the coming days children will be creating their Christmas card design for our yearly fundraiser. You will receive your child's free sample card in a couple of weeks and will be able to order more cards and other Christmas gifts with their design, including gift tags, mugs, tea towels and bags. For more details please see www.classfundraising.co.uk

FOBS - AmazonSmile fundraiser

Please help raise funds for the school by signing up to AmazonSmile and choosing 'Friends of Burnham Market School' as your charitable organisation, so that every time you shop a small percentage (0.5% of the net purchase price of eligible purchases) is donated to the school. AmazonSmile is the same Amazon you know. Same products, same prices, same service. You will make a difference every time you do your online shopping at smile.amazon.co.uk Many thanks.

Sports for School

In February 2020 the children took part in Sports for School fundraising event where they were encouraged to take up more sports and to be ambitious, while having lots of fun. They raised an incredible £1093, and as a result the school had £525 to spend on sports equipment. These are the items that were bought with the Sports for School sponsorship money: a horizontal mat trolley, 4 x deluxe chip foam mats, ankle strap skipping set includes 6 ankle straps, a hop race kit which includes 6 new large space hoppers and a new ball pump. Thank you to all the children for their phenomenal efforts and many thanks to you for your support.

Message from Mr Preston

Burnham Market Piano Fundraiser Thank you so much to everyone who has contributed to the fund for the new piano at Burnham Market Primary School. So far we have managed to raise £1400 which is amazing given the current circumstances and we are nearly half way to our £3000 target. If you are able to donate or have any further fund raising ideas, please speak to either Mr Preston or the school office. Many thanks for your support.

Good Work Awards/Values Awards

Good Work Awards

Seals: Quinn (Your amazing focus in all tasks)
Turtles: Cassius (Your excellent focus when designing your poster)
Dolphins: Lily R (You wrote an amazing postcard)
Kittiwakes: Albie (Your mature and positive approach to our tests)

Values Awards

Jenny Wren (Being really thoughtful looking after YR)
Beattie (You think carefully about how to help others)

Zack (You wrote a thoughtful postcard to your Dad)
Jake & Wyatt (You arranged a game of football to include Ruby)
