

4th March 2021

Dear Parent/Carer

I am writing to inform you of important information regarding physical education upon your child's return to school.

PE Kit

Your child will be taking part in a range of sports in the remaining lessons leading up to Easter. Therefore, they will require both indoor and outdoor kit, which includes trainers, studded footwear, and shin pads for football.

Acle PE kit expectations remain the same with the Acle polo shirt, Acle quarter-zip top, plain navy shorts, plain navy tracksuit bottoms, Acle navy leggings (no other variants) or Acle navy skort. Students also require a change of sports socks, which are appropriate to hold shin pads in position when they are required. Plain navy tops can be worn if there is a suitable reason for not being able to purchase the Acle quarter-zip top. No largely branded or different coloured kit is acceptable.

Changing

Your child will be required to continue to arrive in school in PE kit on the days that they have lessons and/or are attending a sports club after school.

Extracurricular Activities

We are delighted that the government has allowed clubs to restart straight away. The PE department is passionate about providing opportunities for the students to take part in sports and physical activities even more so following the recent lockdown period. Therefore, after considering results from a survey conducted with students, we are going to be running extra opportunities through the sports clubs listed below from 3.30-4.30pm for the last two weeks before Easter (weeks commencing 15th and 22nd March). Please note that late buses are not running so students will require alternative transport home if they attend a club. After Easter, the summer sports clubs will start and I will provide more information on this at a later date.
