

Kinsale Junior School

Primary PE & Sport Premium

Development Plan

2020-21

From September 2013, the government have allocated funding directly to schools to support the provision of quality PE and sport. This year Kinsale Junior School will receive £18,580. This money must be used to give value and provide maximum impact and benefit to our children in PE provision and must be sustainable.

We have allocated the money in the following ways:

- Purchase membership to the West Norfolk & Dereham Schools Sports Partnership to provide the school with support, training for staff and competition opportunities for pupils.
- Purchase the services of a coach from North Walsham Rugby Club to deliver Tag-Rugby training to staff and pupils.
- Purchase PE Passport (a planning and assessment tool) for all staff.
- Purchase and install an outdoor gym.
- Repair and improve the existing Trim-trail equipment on the playground.
- Purchase two sets of mini-goals to encourage football at lunchtime.
- Purchase tablets for each year team in order to use PE Passport effectively.

Further details on spending can be found on the Kinsale Junior Sports Premium Funding 2020-21 grid.

Please note that this is a working document and will be amended throughout the year.
