We hope you all enjoyed the May Bank holiday weekend, we really feel the first part of the Summer term seems to be speeding by! We have been having a wonderful time learning about 'Journeys' in Reception and 'My Amazing Body' in Years 1 and 2.

I am delighted on a daily basis, to see the children enjoying their schooling and sharing their creations / learning with me.

I hope you are enjoying seeing their learning on Tapestry and being told about their activities at home.

### Local Advisory Board Vacancy

We are still on the lookout for a new parent Governor to join the wonderful team of Governors at Heather Avenue Infant School. The Governors meet each half term for a couple of hours to discuss school performance along with the general management and strategic direction of the school. Governors also visit the school to see the school in action and attend special events. If you feel that being a Parent Governor is something that interests you or you know someone who may be interested, please come and see me for more information - Many thanks
