

27th September 2021

Dear Parent/Carer

We'd like to invite you to attend our parent reading workshop this coming Thursday 30<sup>th</sup> September, which we will be holding from 6pm to 7pm.

As part of our renewed efforts to improve literacy, we recognise the cardinal importance of engaging parents/carers in the process of encouraging and supporting the reading for pleasure that our students should develop in order to succeed academically but also to enjoy happy and well-rounded lives.

To this end, we are holding this workshop to provide you with helpful tips and support on how to develop young peoples' engagement and enjoyment of reading, as well as a grounding in the theory and science behind the process itself. This will take the form of a presentation with resources and materials you can take to assist your support at home, as well as a question and answer session to clarify points raised. If you are unable to attend for any reason, a copy of the presentation and resources will be available soon after the event on our website.

Attendance is completely free and refreshments will be provided. Please arrive at 5:45pm for a 6pm start. We look forward to seeing you!

Kind regards

*R Carrier*
