

13th December 2021

Dear Parents and Carers

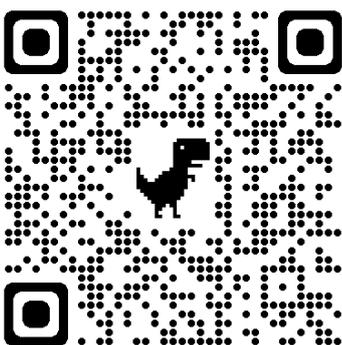

## **Non Uniform & Fundraising Event in aid of Pets As Therapy- Friday 17th December 2021**

In support of our charity fundraising ethos in school, we will be having a non-uniform and fundraising event on Friday 17th December, to support the 'Pets As Therapy' charity. Students and staff alike are encouraged to donate £1 to support this fundraising event and all monies will go towards the Pets As Therapy charity.

All donations for this non-uniform and Fundraising event will be collected online. Please support us by going to <https://www.justgiving.com/fundraising/acle-academypatfundraisingday> and make a donation to our specific Acle Academy Just Giving page. 100% of the money raised will be going to Pets As Therapy and can we please ask that donations are made before Friday 17th December.

We are aware of the amazing services that Pets As Therapy provides for those suffering from mental health problems and show how beneficial the love and support of animals can be. Mental wellbeing and support of reflective behaviours is also one of our Academy's main focus points and we can very much see the benefit of the service provided by Pets As Therapy in support of young people.

Additionally, if you scan the below QR code on your smartphone this will take you directly to the Just Giving page.

We are extremely proud of our students who are always willing to engage enthusiastically in charity based events. We will also ensure pupils are educated about the work Pets As Therapy do. The pandemic has been hard on us all, but for young people across the UK already facing challenges, it's made life even more difficult. That's why this year more than ever, we need your help to reach even more young people in need with this charity's help.
