

Christmas holiday creative challenge for families: create a newspaper/ magazine/wrapping paper collage of your favourite celebrity, sportsperson, pet or even yourself! Be as creative as you can - bring your finished collages to school on January 4th so that they can be added to the class display. There will be house points for all creations!

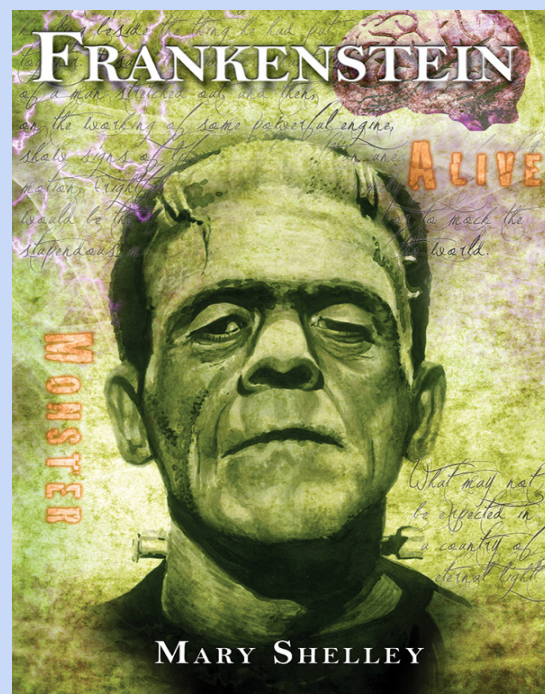

What Year 6 will be learning about in the next six weeks:

in history, children will learn about Charles Darwin and his voyages of discovery. Science lessons will explain evolution and inheritance, adaptation and natural selection. In maths, the children will focus on arithmetic and problem-solving in preparation for the SATs in May. Please continue to use Times Tables Rock Stars to practise.

Class book: Frankenstein

Homework:

- Weekly homework will be posted on Google classroom.
- Times table Rock Stars
- Ed Shed spellings

Reading at home:

- We expect children to read at least 3-4 times a week at home to build fluency. They can also use Accelerated Reader to quiz from home.

Diary dates:

PE - Tuesday and Wednesday
