

10th January 2022

Dear Parents and Carers

GCSE Certificates- collection

Dear Parent/Carer

We very much hope that your child has settled into their new college courses or apprenticeships.

Your child's GCSE certificates have now arrived at school and are ready for collection from Wednesday 12th January. Ordinarily, we would give these out at our Reunion Event which would take place in January but because we are unable to do this at present due to the current Covid-19 situation, we understand that students will be keen to collect their certificates as soon as possible.

Students will be able to visit reception at school, one at a time and in a socially distanced manner, to collect these results from the school. As these are such high value items and are so important to the future of all students, we cannot send these home via the postal service and as such, they do need to be collected.

They will need to be collected by the named student only and other students are unable to pick up results for their friends or siblings. Parents/carers may collect results for their child, if they bring in a signed note from the person whose results they are picking up.

If you have any issues relating to the collection of GCSE certificates please give the school office a call and we can come to another arrangement to ensure you receive your results as and when you require them.

As I have said previously, we are immensely proud of the 2020-21 Year 11 cohort and understand that their opportunity to sit their GCSEs has been taken from them by circumstances out of everyone's control.

If you have any questions in relation to the above information, please do not hesitate to contact us.

With best wishes to you and your family.

Yours sincerely

Mr Joe Sayce
Director of Progress and Achievement
