When I grow up I want to be...

A primary school teacher just like my Grandma was.

Something interesting I have learnt this year:

Even when making a big move somewhere new, people are lovely and will make you feel welcomed.

Three awesome things to know about me:

1. I was in an advert that was on TV and at the cinemas a few years ago

2. I used to be a Nursery Nurse and a Learning Support Assistant

3. I don't have a favourite colour as I think all are beautiful and equally as important
