

# PTA Newsletter Spring 2022

A huge thank you to everyone who has supported our events over the past year and continues to support us via our monthly lottery draw.

The pupils and staff really appreciate all of the items we have bought to enhance the children's learning and school life.

We look forward to seeing you at future events and at our AGM in September.

## ACCOUNTS

Total income for the year 2020/21 amounted to £2438. Expenditure for the year amounted to £6883, including £5423 donated to the school.

## MONTHLY LOTTERY DRAW

We have an average of 147 lottery numbers in the draw each month (representing 68 members). Each number costs £1 per month.

Of all the money raised, 50% of the income is given out in prizes and 50% retained in our lottery profit account. Each month three prizes are awarded to the first three numbers out of the bag. Results are published on the school website and on the weekly bulletin.

Why not buy a number? The greater the members, the greater the prizes. Link to join is in the PTA section of school website.
