

Friday 16 September

Dear Parents / Carers

We will be supporting Macmillan Cancer Support by hosting a coffee morning for parents on Friday 30 September. The coffee morning will be held in the school hall from 9:00 – 10:00am after school drop off. There will be cakes, tea and coffee available for a donation towards the charity.

After dropping your child off, please go to the front entrance at the School Office where we can let you through to the hall. Younger children / babies are welcome to attend too.

We would also welcome any donations of cakes on the morning of the coffee morning. Any donations of cakes should be brought to the School Office. We ask that although the children in school will not be attending the coffee morning with parents, we are still do not allow nuts in school so please ensure that these are not included in the cakes.

We hope that you will be able to attend to support this worthy charity and look forward to seeing you there.

Kind regards,

Mrs Seagrave

Senior Teacher
