Dear Parent/Carer

**Re: GCSE PE - Student Revision Conference – Thursday 23rd March 2023 – London**

I am delighted to inform you that we have organised a trip for the Year 11 GCSE PE students to London to attend the Edexcel GCSE PE Student Revision Conference. Specially designed by practising senior examiners, David Pryce the day will allow students to gain greater understanding of the requirements of the examinations and how to improve their performance in the theory papers.

**Key focus areas:**

- Exciting and interactive sessions that will demonstrate how to produce high quality exam answers with model responses and key insights
- A unique opportunity to ask expert examiners questions about the assessments
- Advice on revision techniques for PE that really work
- Take away a comprehensive set of notes which can be used as part of your revision
