Y8 RAF Marham STEM Workshop: The Construction Challenge! **Tuesday 21st March 2023**

Student Name: _____

Dear Parent/Carer

Your child has been invited to take part in **'The Construction Challenge' STEM Workshop** on **Tuesday 21st March**, either during **period 2 and 3** with the usual stop for break or **period 4 and 5**. They will be told which workshop to attend on the day. The workshop is **free** and delivered to a maximum of 60 year 8 students in the gym.

The **Construction Challenge** activity is run by **STEM Ambassadors** from **RAF Marham** and uses **giant Meccano equipment** with challenges issued to build something within set parameters and incorporates key aspects of the **Design & Technology, Science, Engineering** and **Maths** curriculum (**STEM**). Students are split into teams and they compete against each other to build a specific structure against the clock. However, they will be monitored and offered advice on both teamwork and leadership!

If you have any questions or concerns, please email me: amoffat5rr6@nsix.org.uk

Yours sincerely

Mrs Moffat

Lead Teacher of Design & Technology & STEM Coordinator
