Greenpower F24 Electric Car Regional Heat at Lotus Test Track: Sunday 25th June 2023 6.45am-6.45pm

Student Name:

Monday 5th June 2023

Dear Parent/Carer

Thanks to the commitment of our **STEM Club Greenpower F24 Team**, our electric kit car, '**APHS Ambition**', is nearing completion and we are excited to be competing for the first time in the **Greenpower Education Trust Formula 24** regional event at **Lotus' Hethel Test Track, Norwich** on **Sunday 25th June 2023**, where we will be racing against other schools.

Formula 24 is a **Motorsport UK** recognised championship competed in by teams of students **aged 11-16** who come to the **regional event** at **Hethel** with the aim of qualifying for the **International Final** through setting a high distance in the hour and a half endurance races on the day. For more information about this event, I have set up a **Greenpower F24 Kit Car Club Google Classroom** (code: **mvr5wp**) which your child should have received an invite to join via their school email.

The organisers pay great attention to the safety of participants and require team members and parents/carers of participants under 18 to have read the '**Greenpower Technical and Sporting Regulations 2022**' and the '**Lotus Team Member Sign On Survey**' to comply with the requirements of the governing body, Motorsport UK. I have included both of these documents in the Google Classroom under the '**Race Day**' section, along with the **Risk Assessment**. Please ensure you and your child have read and agree to comply by the rules and sporting regulations by signing the consent form below.

Our plan is to take all 14 of our team members in the school minibus and our kit car will be transported in a separate vehicle. We will **depart APHS at 6.45am Sunday 25th June** to **arrive at Lotus Test Track, Norwich at 7.45am** to check in. I have included an itinerary with the approximate timings of the day and we will aim to be **back at APHS by 6.45pm**.

As it is a long day, students are advised to bring a **packed lunch, plenty of snacks** and a **drinks bottle**. There will be hot food (e.g. burgers/bacon rolls), hot and cold drinks and ice cream available on site so they may like to bring £10 or so to purchase additional food and refreshments.

All team members will be expected to wear **sturdy, sensible shoes** and **trousers**. They will be loaned **racings overalls and gloves** and drivers will have **full face helmets**. Sun cream may be needed and sunglasses are important as glare interferes with the view when on the track. A book, playing cards or other games will also be useful as **phones are not permitted**.

We will be taking a gazebo to keep the car undercover as there is limited shelter at this event, so please come prepared for all weather! **Please note: no photography or video, no drones, no smoking or vaping and no dogs are permitted on site.**

For all team members attending race day, I need to have emergency contact names, mobile numbers, house number and postcode and a list of spectators names who would also like to attend the event to support our team.

I also need to confirm that you and your child have read, understood and will comply with all circuit instructions, regulations and final instructions for this event given by the organiser and understand any reckless/dangerous driving is strictly forbidden and will result in immediate dismissal from the event.

If you are happy for your child to attend, please can you sign the **consent form** below and complete all the necessary details. Thank you for your understanding and support with this very exciting school STEM project!

Yours sincerely

Mrs Moffat, Teacher of Design & Technology & STEM Coordinator

Please return Consent Form to: Mrs A Moffat by Thursday 15th June

Name of student(s):

My son/daughter and I have read, understood and agree to the rules and regulations of this event and I give consent for my son/daughter to attend **Greenpower F24 Race Day** on **Sunday 25th June**, leaving APHS at **6.45am** and returning by **6.45pm**.
