### Summer Term

We can't believe we are already well into the second half of the Summer term! The first week back saw us enjoying Healthy Living Week, where the children really enjoyed learning more about ways in which they could look after their physical and mental health.

All the children are continuing to learn through their topics and we can really see how far each child has come in the quality of the work they are producing along with the amount they are able to say about what they have learnt.

We are so pleased to see how nicely the children play together across school showing a wonderful understanding of our Golden rules – particularly do be kind!

We have a really busy final half term with lots to look forward too, including lots of transition activities, which have already begun.

Please take time to read our regular newsletter as we use this to try to keep you abreast of all the different items taking place in school. Information is also available on our school website; please visit [www.heatheravenue.co.uk](http://www.heatheravenue.co.uk), our Facebook page [Heather Avenue Infant School](https://www.facebook.com/HeatherAvenueInfantSchool) or follow us on twitter [@HeatherAvenue](https://twitter.com/HeatherAvenue).
