Re: Continued School Closure – Thursday 21st September 2023

Dear Parents and Carers

Thank you for your support with the emergency closure of Alderman Peel High School today. The messages of support we have received from many members of our community has been very well received.

Specialist gas engineers have worked tirelessly today to identify the source of the gas smell. This work is still continuing at this time and we do not currently have a definitive outcome. We must therefore take a very cautious approach, but do not wish to leave it too late to inform you of arrangements for tomorrow.

Therefore, we have taken the decision to **remain closed to students tomorrow (Thursday 21st September)**. This will give further time to ensure that the situation has been fully resolved and that all students are safe to return.

School events:

Thursday 21st September 2023:

- The U14 (Year 9) rugby day at NWRFC has been cancelled.
- The Year 7 GL Assessments will be postponed until next week (we will confirm rearranged dates)
- Primary Swimming lessons will be cancelled.

Remote Education:

Teachers will be setting work for each of their timetabled lessons via ClassCharts for students to access.

If you need ClassCharts login information, please send a request to datamanager@aldermanpeel.norfolk.sch.uk so that we can process this.

Thank you for your continued support in this situation and we hope to welcome students back into school on Friday 22nd September 2023.

Yours sincerely,

Mr M Hardman
Principal
