Re: School reopening to students – Friday 22nd September

Dear Parents and Carers

Thank you for your patience over the past two days while we have worked to ensure the safety of the school site.

We were alerted to a smell of gas in the school on Tuesday evening and as a precaution we made the decision to close the school until it had been investigated fully. Engineers have been working tirelessly across the site over the past two days and have confirmed the school is safe for staff and pupils to return.

Therefore, students will **return to school site tomorrow (Friday 22nd September)**.

We would like to thank all parents/carers and students for your support over these past two days, but I would also like to thank the APHS Site Team (Mr Sutton, Mr Shaw and Mr Waajen) and the Wensum Trust Central Services for their professionalism and hard work in resolving this matter so efficiently and effectively.

APHS staff continue to be available today to support students with remote learning and we look forward to welcoming all students back to school tomorrow.

Yours sincerely,

Mr M Hardman
Principal
