Re: Emergency School Closure – Wednesday 20th September 2023

Dear Parents and Carers

Alderman Peel High School will be closed on Wednesday 20th September 2023 due to the discovery of a gas leak on site this evening.

Gas engineers have been called to the school and confirmed the presence of gas. On their advice, the gas supply to the school has now been isolated until repair work can take place. Repair work will begin on site tomorrow and we will confirm arrangements for Thursday 21st September onwards as soon as we are able to.
